## IRELAND'S FINEST WHISKEY

---

Sip, savor, sláinte a carefully curated selection of (3) whiskeys, offered at market price, served on a map of Ireland.

### MIDDLETON VERY RARE WHISKEY

#### Dair Ghaelach

Dair Ghaelach, which means quite simply, Irish oak, is the result of a six-year exploration by the Middleton Masters into using native oak to mature Irish whiskey. This whiskey is a range of releases that have been matured in barrels made from virgin Irish oak from particular forests across Ireland. The oak selected for each release influences this special whiskey with the true and unique flavors of Ireland. Its provenance told in each sublime sip, this is the tale of their native oak striking harmony with the classically rich and spicy Single Pot Still Irish Whiskey character.

### JAMESON

#### Jameson 18 Years

A unique blend of three signature distillates matured in the finest oak for almost two decades and given a final marrying period of at least six months in a fresh American barrel, adding a unique complexity and elegance, this whiskey is wonderfully mellow and smooth, a mouthful of complex flavors — toffee, spices, hints of wood and leather, and gentle sherry nuttiness and vanilla.

### REDBREAST

#### Redbreast 15 Years

Crafted from a mash of malted and unmalted barley and then triple distilled in copper pot stills, Redbreast 15 is comprised exclusively of Pot Still whiskeys matured in the finest oak casks for no less than 15 years. A careful balance of first fill and refill casks accentuates the assorted spices within Redbreast's characteristic full and complex flavor. Fully round and mellow with the succulence of fleshy fruit combined with spices and toasted wood.

### REDBREAST

#### Redbreast 21 Years

Produced in very limited quantities, Redbreast 21 represents the ultimate expression of Redbreast Single Pot Still Irish Whiskey. The 21-year ageing process introduces new levels of depth and an abundantly aromatic and fruitful flavor. Soft vanilla, toasted oak, sherry nuttiness with a dusting of spices. Luscious fleshy fruit notes complete the silky mouthfeel.

## SPOT WHISKEY

### Green Spot

A non-age statement Single Pot Still Irish whiskey comprising of pot still whiskeys aged between 7 & 10 years. Fresh aromatic oils and spices with orchard fruits and barley on a background of toasted wood. Full spicy body. A hint of cloves along with fruity sweetness of green apples rounded off with toasted oak. Followed by lingering flavors of spices and barley.

### Gold Spot

Matured for at least nine years in Bourbon Barrels, Sherry Butts, Bordeaux Wine Casks, and Port Pipes. Non chill filtered and bottled at 51.4% ABV for a whiskey that is complex and full flavored. A light mix of pineapple, kiwi, green banana and lime zest, followed by Pot Still spices, baked apple, hazelnut and toasted wood. A smooth mouthfeel with a subtle mix of fruit, a hint of clove and cracked black peppercorns. Sweet spices, vanilla and cinnamon add to the wood's nutty combination.

### Green Spot Château Léoville Barton

Matured in traditional sherry and bourbon casks, then finished in French oak wine casks. The French oak drives the initial aroma with crisp woodland notes added to the spicy Pot Still character. The wine seasoning brings a floral perfume and ripe berries to the archetypal orchard fruits. The familiar mouth coating is a very satisfying balance of oak and spices. Some vanilla sweetness works in harmony with the dry orchard fruits and French oak, combining effortlessly with barley grains to complete the complexity.

### Green Spot Château Montelena

Matured in traditional sherry and bourbon casks and finished for 12 months in French Oak Zinfandel wine casks. Crisp oak combines with the soft sweetness of vanilla, white chocolate and marshmallow, balanced with signature Green Spot red apples and ripe pears, along with pomegranate, cranberries and maraschino cherries. Sweet mouth coating takes on a dry note thanks to the effect of the wine cask. Pot Still spices subside with zesty citrus leading to ripe orchard fruit and red berries. A touch of marzipan and toasted oak add to the complexity.
